INDEX TO VOLUME LXXIX.

July 1 to December 31, 1903.

A

Acetylene Gas Distribution, Pipe Sizes..... 731
*Acetylene Lights in Foreign Countries, Concerning the Use of, by "An Exile"..... 82
Acid, Sulphuric, Manufacture by the Contact Process..... 1002
Adams, Alton D., Electric Stations, Rise of Efficiency in... 409
Address of Alten S. Miller, President of the American Gas Light Association..... 682
Address of President M. C. Osborn, Pacific Coast Gas Association..... 242
*Advertisement, A Novel..... 129
*Afloat, Almost..... 83
Air, Liquid: Its Manufacture, Distillation into Commercial Ozygen and Nitrogen, and the Application of Oxygen in the Industries, Especially for Use in Connection with Illuminating Gas, by G. A. Bobrick..... 282
American Central Electric Station Statistics.....931, 967, 1011
American Gas Light Association, Thirty-first Annual Meeting.....842, 882, 922, 964, 1002
*American Separately Fired Superheater, The..... 886
Anthracene and Naphthaline, Purification of..... 652
Anthracite Coal Combine, The South Wales..... 929
Anthracite Coal Regions, Present Conditions in the..... 288
*Architects' Work, A Plumber's Comments on..... 489
Assistant's Point of View, "The Chief," from an, by "R. V." 732

B

Back Filling of Trenches, The, by W. F. Raymond..... 230
Back Pressure in Purifying Boxes, by H. Hollweck..... 80
*Ballantyne, J., Sulphate of Ammonia Making by a New Process..... 84
Bedell, Frederick, Composite System of Electrical Transmission and Distribution..... 52
Benzol, Commercial Value of..... 847
Birchmore, Dr. W. H., Iron, The Pitting Rust of..... 767
Bituminous Coal Trade, The, by F. E. Saward..... 808
Blast Mains..... 122
Blowing Engines, Steam Driven and Gas Driven, Notes on, by Tom Westgate..... 128
Boardman, Arthur F., Municipal Ownership of Public Utilities..... 7
Bobrick, G. A., Liquid Air: Its Manufacture, Distillation into Commercial Oxygen and Nitrogen, and the Application of Oxygen in the Industries, Especially for Use in Connection with Illuminating Gas..... 282
*Brackenbury, C. E., New Machines for Old..... 90
Brilliant Engineer, A..... 974
British Coal Supply, A Survey of the..... 807
British Manufacturers Handicapped..... 730
*Britton, John A., High Pressure Gas Distribution..... 243
*Burner, Incandescent, of Combustible Gases, Variations in the Lighting in the, by E. Sainte-Claire Deville, 406, 448, 486
*Burning Oil and Tar on the Pacific Coast, by "An Exile".. 446
Butterworth, Messrs. Irvin, A. C. Humphreys, H. L. Doherty and the Dellwik Process..... 564

C

Calcium Cyanide: The New Nitrogenous Fertilizer and Source of Cyanides..... 532
California, Petroleum in, by Edmond O'Neill..... 369
*Candles and Calories, by Prof. Vivian B. Lewes..... 42
*Capacity of an Ordinary Purifier House, Quadrupling the, at Very Small Cost, by F. H. Shelton..... 11
*Carbide and its Uses in Foreign Countries, by "An Exile" 924
Carbonylferrocyanide in Coal Gas, Note on, by James F. Smith..... 127
*Carburetted Water Gas Sets, Notes on the Operation of Large, by W. C. Morris..... 689
*Cause of Gravity, The Mechanical, by Robt. Stevenson... 207
Central Electric Station Statistics, American.....931, 967, 1011
Central Station Heating, by D. F. McGee..... 771
*Central Station Work, The Diesel Oil Engine for..... 367
Cerium, Lanthanum, Neodymium, Praseodymium, Thorium and Zirconium, The Behavior of, toward Organic Bases, by B. L. Hartwell..... 802
Chaff, A Soft Answer Burneth away, by Geo. G. Ramsdell.. 167
Chaman, W. A. Electrical Illumination, The Possibilities of Future Economies in..... 290
Cheaper Gas, The Need of, by C. E. Jones..... 527
Coal Combine, The South Wales Anthracite..... 929
Coal Gas and its Mixtures with Carburetted Water Gas for Heating Purposes, by Thomas Fletcher, F.C.S..... 50
Coal Mining in Ohio..... 89
Coal Regions, Anthracite, Present Conditions in the..... 288
Coals, Gas, The Valuation of..... 203
Coal Supply, British, A Survey of the..... 807
*Coal Tar and Oil and an Improved Testing Still, The Testing of, by W. H. Jayne..... 364
Coal Tar, The Distillation of, by Harold Smith..... 606
Coal, The Cheapening of, by F. E. Saward..... 324
*Coal, The Fuel Oil Boom that Followed Scarcity of: Its Effect in America and Elsewhere, by "An Exile"..... 202
Coal Trade Activity Continues, by F. E. Saward..... 647
Coal Trade, The Bituminous, by F. E. Saward..... 808
Coke in 1902, Production of..... 430
Coke Plant, A Semet-Solvay, at South Chicago..... 14
College Man, The Outlook for the..... 567
*Combustible Gases, Variations in the Lighting in the Incandescent Burner of, by E. Sainte-Claire Deville 406, 448, 486
*Comments on Architects' Work, A Plumber's..... 489
Companies and Corporations should Undertake Fitting Work, Why, by A. F. Mottram..... 971
Complaints, Our Customers and Their, by D. Decker..... 285
Composite System of Electrical Transmission and Distribution, by Frederick Bedell..... 52
Concrete Tanks for Gasholders..... 890
Construction, Pipe Line..... 651
Consulting Engineers and Engineers..... 609
Contact Process, Sulphuric Acid Manufacture, by the..... 1002
*Controller, Time Light, Newman's..... 205
Conveying Machinery, The Development of..... 888
Coon, J. H. L., Insurance Inspection..... 289
